1) Amount in SEK is indicative. If the redemption is stated as an amount in SEK, the actual redeemed amount that will be received can differ somewhat from the indicative redemption amount. This means that no guarantee can be given to the unit holder that the actual redemption amount will be the exact same as the indicative redemption amount that the unit holder has requested.

The redemption application must be received by Prior&Nilsson Fond och Kapitalförvaltning AB (hereafter the Company) no later than 2pm Swedish time on the banking day the redemption is to take place. On banking days when the Stockholm Stock Exchange closes at 1pm, the corresponding deadline is 10am Swedish time for the funds PriorNilsson Sverige Aktiv, PriorNilsson Globala Utdelare, PriorNilsson Evolve Global, PriorNilsson Evolve, PriorNilsson Fastighet, PriorNilsson Idea, PriorNilsson Yield and PriorNilsson Balans.

The redemption price cannot be limited. A redemption request may be cancelled only if the Company so agrees. Units will be redeemed on redemption day if assets are available in the fund. Should that not be the case, assets will be realized by selling the fund's property and redemption will then be executed as soon as possible. If such a disposal were to seriously and adversely affect the other unit holders' interests, the Company is allowed to wait to make the disposal after applying to the Swedish Financial Supervisory Authority (Finansinspektionen).

A contract note will be sent as confirmation of the redemption of units.
